

Environment Policy

ISWPL's environmental responsibilities are driven by our commitment to preserve the environment and are integral to way we do business.

- We are committed to deal proactively with Climate change issue by efficient use of natural resources & energy; reducing and preventing pollution; promoting waste avoidance and recycling measures; and product stewardship.
- We shall identify, assess and manage our environment impacts
- We shall regular monitor, review and report publicly our environmental performance
- We shall develop & rehabilitate abandoned sites through afforestation and landscaping and shall protect & preserve biodiversity in the areas of our operations
- We shall enhance awareness, skill and competence of our employees and contractors so as to enable them to demonstrate their involvement, responsibility and accountability for sound environmental performance.
- We are committed to continual improvement in our environmental performance
- We shall set objectives-targets, develop, implement and maintain management standards and systems, and go beyond compliance of the relevant industry standards, legal and other requirements.
- We will truly succeed when we sustain our environmental achievement and are valued by the communities in which we work.

2ND April 2015

(Neeraj Kant)
