

ISWP is planning to be in the business of Concrete Nails. These quality products are sold under the umbrella brand of “SPARK”.

The company is looking for suitable partners (External Processing Agents - EPAs) across India who can assist the company in manufacturing these products. These products are manufactured under strict supervision, quality control, and monitoring by the company.

The location of EPAs will be decided based on company's requirements, market proximity, geographic segmentation, and overall business growth plans. The company offers attractive returns on investments.

Interested parties can send their preliminary applications by furnishing the following details to epa@iswp.co.in Hard copies can be sent to the following address:

**Vice President – F & A, Commercial & EPA Management,
The Indian Steel & Wire Products Ltd.
